Co-Curricular Opportunities

At Bellbird Park State Secondary College (BPSSC), we empower students to become resilient and ambitious participants in their own futures and communities. Our commitment is to support each student in maximising their learning potential through a focus on academic achievement, personal growth, and social-emotional development.

We embrace equity and are dedicated to nurturing the unique potential of every student. Guided by our core values of Responsibility, Integrity, Support, and Effort, we create an inclusive and supportive environment where every learner can thrive.

Beyond the classroom, our diverse range of extra- and co-curricular activities plays a crucial role in fostering holistic development. These enriching experiences allow students to explore their passions, build confidence, and develop essential skills that enhance both their personal and academic growth. At BPSSC, we inspire students to dream big, aim high, and become active, engaged members of their communities.

Message from the Principal

Michael West
Executive Principal

At Bellbird Park State Secondary College, we are dedicated to inspiring every student to reach their full potential within a vibrant, inclusive, and forward-thinking community. Guided by our core values of Responsibility, Integrity, Support, and Effort, we strive to empower students to excel academically, grow personally, and contribute positively to society.

Our vision of “Many Pathways, No Limits” reflects our commitment to providing diverse learning experiences tailored to meet the unique needs of each student. We believe in fostering a growth mindset that encourages curiosity, resilience, and a love of learning. Through innovative teaching and a supportive environment, we enable students to pursue their passions and achieve success in their own unique ways.

At Bellbird Park, learning extends beyond the classroom. We place great importance on participation in extracurricular activities as an essential part of personal and academic development. Whether it’s through sport, creative arts, leadership opportunities, or community service, students are encouraged to explore their interests, build confidence, and develop valuable life skills. These experiences cultivate teamwork, leadership, and a sense of belonging, preparing students to thrive in an ever-changing world.

We are proud of our school’s multicultural community and our longstanding commitment to reconciliation. We celebrate diversity and promote cultural understanding, fostering an environment where every student feels respected, valued, and inspired to contribute their unique voice.

Bellbird Park State Secondary College is more than just a place of learning—it’s a community that supports students to dream big, embrace challenges, and unlock their full potential. Our dedicated staff are committed to guiding each student on their journey, ensuring they are equipped with the knowledge, skills, and confidence needed to succeed beyond school.

Join us at Bellbird Park State Secondary College, where opportunity knows no limits and every student’s journey is celebrated.

Overview

Extra- and co-curricular activities play a vital role in promoting holistic student development by extending learning beyond the classroom. These activities provide students with enriching opportunities to explore their interests, gain confidence, and build skills that support their personal and academic growth.

At Bellbird Park SSC, activities in Academics and Clubs, Cultural, Sport, and Community and Leadership foster leadership, creativity, teamwork, and resilience, equipping students with skills to succeed in all aspects of life. These activities align with our school values of Responsibility, Integrity, Support and Effort (RISE) encouraging all students to embrace challenges, strive for excellence, and make meaningful contributions to their school and community.

Academic Clubs & Special Interest

Participation in academic clubs and special interest groups allows students to expand their knowledge, build meaningful connections, and develop self-confidence. These opportunities cultivate a lifelong love for learning while helping students grow both academically and personally.

Performing Arts

At Bellbird Park SSC, the Performing Arts offer students a dynamic space to explore their creativity, develop artistic skills, and build confidence through various forms of performance. Whether through drama, dance, music, or collaborative productions, students are encouraged to express themselves and embrace their talents.

Cultural Programs

Cultural activities provide students with the chance to express themselves creatively, enhance their confidence, and develop their artistic talents. These programs nurture a passion for artistic expression, foster a sense of community, and encourage students to embrace new challenges while celebrating their individuality.

Sport Programs

Engaging in sports helps students develop physical skills, teamwork, and resilience. These activities offer opportunities to bond with peers, build confidence, and embody values such as perseverance and fair play. Participation in sports fosters a lifelong appreciation for active living and the benefits of staying physically fit.

Community & Leadership

Leadership and community-based programs allow students to take on meaningful roles, build confidence, and develop skills that support personal and collective growth. These activities encourage collaboration, initiative, and a sense of pride in making a positive contribution to the school and its wider community.

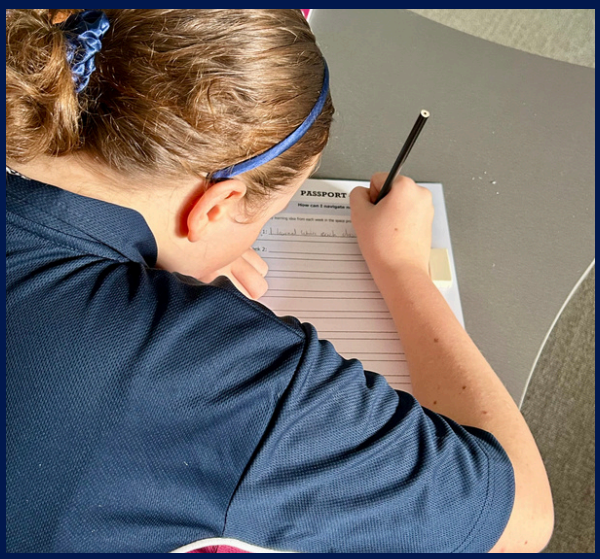

Academic Clubs & Special Interest Groups

At BPSSC, academic clubs and special interest groups are designed to ignite intellectual curiosity, promote academic excellence, and provide students with opportunities to explore their interests in a collaborative environment. These programs offer enriching experiences for students to engage with specific subjects, work alongside like-minded peers, and apply their knowledge in real-world contexts.

Participation in these clubs allows students to develop valuable skills such as critical thinking, problem-solving, and effective communication, all of which contribute to their academic success and personal growth. Whether participating in thought-provoking debates, exploring innovative STEM ideas, or tackling global issues through social justice initiatives, these groups encourage leadership development, foster a sense of community, and prepare students for future academic and professional challenges.

Supervision Centre

The Supervision Centre provides a structured environment for students to focus on their studies, complete assignments, and receive teacher guidance. Held in the Library every Monday to Wednesday from 3:00 to 4:00 pm, the Centre offers access to resources, opportunities for peer collaboration, and support from staff to strengthen understanding and manage workloads. This program encourages independent learning, time management, and confidence, ultimately helping students succeed academically.

Tutorial Sessions

BPSSC offers after-school tutorial sessions in the library, where students can receive personalised assistance with any subjects or assignments they may be struggling with. Teachers provide focused support to help students meet their academic goals, reinforcing their understanding of course material, preparing for assessments, and clarifying doubts. These sessions are invaluable for fostering self-confidence and academic success.

Maths Club

The Maths Club provides a space for students passionate about mathematics to collaborate on solving complex problems, engage in math challenges, and learn new concepts. It offers an exciting environment for students to enhance their problem-solving skills, explore mathematical puzzles, and strengthen their mathematical reasoning. The club promotes critical thinking, teamwork, and a love of learning, making it a great place for students to connect with others who share their enthusiasm for maths.

Dungeons and Dragons

Students engage in the world of storytelling, strategy, and imaginative role-playing through the popular tabletop game, Dungeons and Dragons. This activity fosters creativity, critical thinking, and problem-solving as students take on roles, strategise in groups, and explore fantastical worlds. It is an interactive, team-based environment where students develop communication skills, collaboration, and creative expression. Whether students are seasoned players or beginners, the group provides an inclusive, supportive space for everyone to join in the adventure.

Skittles Group

The Skittles Group at Bellbird Park State Secondary College provides a safe, inclusive space for students, especially those in the LGBTQIA+ community, to connect, share experiences, and receive support. Meeting weekly, it fosters belonging, equality, and self-expression without fear of judgment. While prioritising LGBTQIA+ students, it welcomes all who seek acceptance. The group promotes respect, diversity, and inclusion, encouraging students to explore identity and celebrate who they are in a supportive environment

Yard Games

At BPSSC, both senior and junior students are encouraged to participate in recreational yard games during break times. Senior Yard Games offer students the opportunity to unwind with board games, yard games, and team challenges, promoting relaxation, peer bonding, and stress relief. Junior Yard Games foster social interaction, teamwork, and physical activity, helping students develop leadership skills and form strong connections with their peers. These activities create a fun, inclusive environment where students can enjoy their breaks and build lasting friendships.

Chill Zone

A designated area for junior secondary students to relax and unwind during their break. The Chill Zone offers a range of activities, including video games, board games, and movies, providing a comfortable space for students to socialise, take a break from their studies, and connect with their peers in a stress-free environment.

Bellbird Buddies

This peer mentoring program pairs senior students with Year 7 students to assist with the transition to high school. Senior students provide emotional support, academic guidance, and friendship, helping Year 7 students adjust to the school environment and feel more confident in their new surroundings. This program fosters a sense of responsibility and community while supporting younger students in their high school journey.

BPSSC

Performing Arts

At BPSSC, we foster creativity, self-expression, and cultural appreciation through diverse artistic and performance opportunities. Our programs empower students to engage in the arts—on stage, behind the scenes, or in creative production—building confidence and strengthening community connections.

Performance and Creative Expression
Students explore drama, music, visual arts, and dance through hands-on experiences in performance and production. Drama productions, music concerts, and art exhibitions provide platforms to showcase their talents.

Creative Collaboration
Our cultural programs promote teamwork and artistic growth, with students participating in music ensembles, drama groups, and dance companies. These experiences cultivate communication, problem-solving, and a sense of belonging.

Inspiring Creativity and Resilience
Engagement in the arts encourages innovation, adaptability, and perseverance, helping students develop lifelong skills in artistic expression and confidence.

Dance & Drama

Dance Company

The Dance Company allows students to explore a variety of dance styles, including contemporary, jazz, and classical techniques. Through expressive movement and choreography, students develop technical skills, performance confidence, and teamwork. Open to all experience levels, this program fosters creativity, self-discipline, and body confidence, providing a welcoming space for students to refine their abilities or explore dance for the first time.

Hip Hop Crew

The Hip Hop Crew focuses on high-energy, dynamic hip hop routines, helping students develop choreography skills, stage presence, and confidence. The program emphasises teamwork, collaboration, and personal expression through movement while also exploring the cultural roots of hip hop. It offers a balance of artistic and technical skill-building in an engaging and inclusive environment.

Drama Ensemble

The Drama Ensemble immerses students in the world of theatre, providing opportunities to develop acting, character-building, and stagecraft skills. Through rehearsals and performances, students enhance their public speaking, communication, and creative thinking abilities. This program builds confidence, fosters collaboration, and encourages students to explore their dramatic potential in a supportive environment.

Music

Instrumental Music

BPSSC's Instrumental Music program offers students the chance to develop their musical talents through woodwind, brass, strings, and percussion ensembles. Whether performing in small chamber groups or large ensembles, students refine their technical skills, enhance their musicality, and build teamwork. Regular performances and concerts provide opportunities for students to showcase their growth while fostering an appreciation for a variety of musical genres.

Concert Band

The Concert Band provides students with the opportunity to develop their musical talents in a dynamic ensemble setting. Students refine their technical skills, enhance their musicianship, and perform in various school and community events. The program fosters teamwork, discipline, and a love for music across a range of instruments.

String Ensemble

The String Ensemble offers students specialised training in string instruments, including violin, viola, cello, and double bass. This program emphasises ensemble playing, musical expression, and technical skill development, giving students opportunities to perform and grow as musicians.

Strings Club

Run by students, the Strings Club provides a collaborative and supportive space for string players to practise, share techniques, and explore their musical interests. This student-led initiative encourages leadership, peer learning, and a passion for music in an informal and engaging environment.

BELLBIRD PARK
BPSSC
BERGERAULT

BELLBIRD PARK

Cultural Programs

BPSSC celebrates cultural diversity through a range of engaging activities and programs that foster inclusivity, respect, and cultural appreciation. Students have opportunities to explore different traditions, languages, and artistic expressions through a range of initiatives These programs provide meaningful experiences that strengthen community connections, encourage cultural pride, and promote a deeper understanding of the rich multicultural fabric within the school.

Yidaki (Didge) Group

The Yidaki Group offers students the opportunity to learn the didgeridoo, a significant instrument in Indigenous Australian culture. Through this program, students develop musical skills while deepening their understanding of Indigenous heritage, traditions, and storytelling. This initiative fosters appreciation and respect for Australia's First Nations cultures.

First Nations Men's Group

The First Nations Men's Group, led by Uncle Bevan Doyle, supports male students in years 8–12. Focusing on cultural protocols and well-being, it builds cultural awareness, confidence, and pride, enhancing social skills, mental maturity, and school engagement. The program empowers students to embrace and celebrate their First Nations heritage.

First Nations Weaving

At Bellbird, we proudly offer a First Nations Weaving Program, providing students meaningful opportunities to connect with Country, culture, and community. This hands-on program celebrates rich traditions of First Nations weaving, passing down cultural knowledge and strengthening students' connection to heritage.

Samoan Language Program

This program provides students with the opportunity to learn Samoan language and culture, developing valuable communication skills while strengthening connections to Pacific Islander heritage. Students engage in conversational Samoan, cultural traditions, and community celebrations, fostering pride in their identity and an appreciation for cultural diversity.

The Malaga Project

The Malaga Project supports students' personal growth and emotional well-being, enhancing engagement and success. By fostering resilience, self-worth, and cultural identity, students build confidence, manage stress, and improve academic performance. Skills like mental health awareness, communication, and problem-solving boost their ability to navigate social and academic challenges.

Pasifika University Program

The University Programs for Pasifika students offer resources, mentorship, and opportunities to support their academic journey. Through workshops, discussions, and networking events, the initiative fosters a supportive community, helping Pasifika students overcome challenges and achieve their higher education goals.

African Youth Centre Get-Together

Hosted by the African Youth Village, this program promotes cultural etiquette, awareness, and subjects relevant to African heritage. It aims to build cultural confidence, address student challenges, and enhance social skills and maturity, encouraging pride, understanding, and personal growth.

ATSIAP Challenge

The ATSIAP Challenge at Bellbird Park SSC fosters cultural awareness and respect, celebrating Aboriginal and Torres Strait Islander heritage. It connects students through initiatives, projects, and events, promoting inclusion. Participants develop leadership skills and a deeper understanding of Australia's history.

Ether Program

The Ether Program is a seven-week initiative for year 10 students from CALD backgrounds at risk of involvement with Youth Detention. It empowers participants through identity exploration, cultural appreciation, and leadership development, featuring workshops, group discussions, and interactive sessions to foster self-expression, community engagement, and growth.

Legacy Connect

The Cultural Mental Health Program, led by Manuel Iakopo and Legacy Connect Counselling Services, is a 9-week initiative for aspiring Pasifika student leaders at BPSSC. It focuses on personal development, mental health, cultural identity, resilience, and leadership, empowering students to understand their heritage, build resilience, and lead their community.

Reconciliation Acknowledgment

The Reconciliation Acknowledgement provides an opportunity for students, families, and the community to come together in recognition of Reconciliation and its impact on our students. Through shared conversations, cultural activities, and reflection, this gathering strengthens connections, fosters understanding, and promotes respect for First Nations histories, cultures, and perspectives. By acknowledging the past and embracing the journey toward a more inclusive future, the event empowers students to take pride in their identity and contribute to meaningful Reconciliation within their school and community.

NAIDOC Week

NAIDOC Week Activities celebrate and affirm the identities of students, staff, community elders, and external stakeholders, fostering a strong sense of unity and pride within the school. Under the theme "Keep the Fire Burning, Black, Loud, and Proud," the week features vibrant performances by our First Nations dance troupe, highlighting the rich diversity of Aboriginal and Torres Strait Islander cultures.

The program includes an assembly with special guests, a morning tea to build community connections, and moments to reflect on the significance of NAIDOC Week. Additionally, the BPSSC Jarjums perform at local schools, showcasing the next generation’s deep connection to their cultural heritage and emphasizing the importance of passing down traditions and stories. These activities not only celebrate cultural pride but also strengthen the school’s commitment to honouring First Nations communities and their ongoing cultural legacy.

Cultural Celebrations

Culture Night is an integral part of who we are as a school and the lessons learnt throughout this experience go beyond the classroom. This program reminds us that our community plays a vital role in lives of our students and our commitment to work alongside these values, beliefs and ways of being provides unique opportunities for our students to grow.

In 2024, the collaboration of over 200 students and many staff from more than 20 different cultural backgrounds represents a journey that honours the traditions of past generations and where today's students have become teachers.

Cultural Dance Practice

The Cultural Groups provide an opportunity to celebrate, preserve, and promote the rich heritage of each country through traditional dance, music, and storytelling. The program educates participants of all ages about the significance of traditional culture while fostering creativity and self-expression. It emphasizes community connection, teamwork, and inclusivity, helping individuals build relationships and a sense of belonging. Ultimately, the program empowers participants to embrace their identity and share the beauty of culture with the wider community.

Harmony Day

Harmony Day provides an opportunity for our students to perform at three local primary schools sharing cultural knowledge through dance, song, traditional games and food. Primary school students learn and perform traditional dances alongside the high school students, they participate in traditional games and come together to share food from relevant countries.

Sport Programs

Carnivals
At BPSSC, school-wide carnivals are a major highlight of the year, bringing students together to celebrate school spirit, fitness, and friendly competition. Events such as the Swimming Carnival, Cross Country, and Athletics Carnival provide students with exciting opportunities to showcase their abilities, cheer on their peers, and immerse themselves in a lively and supportive atmosphere of camaraderie and school pride. These events foster a sense of community and encourage active participation, making them a key part of the student experience at BPSSC.

Cross Country Carnival
Held annually, the Cross Country event at BPSSC invites students to compete in long-distance running, promoting physical endurance, personal achievement, and school spirit. This event is an opportunity for students to challenge themselves, improve their fitness, and bond with peers in a supportive environment. The Cross Country competition helps develop resilience and determination, encouraging students to push their limits.

Athletics Carnival
The Athletics Carnival at BPSSC is a lively, competitive event where students participate in a wide range of athletic disciplines, such as sprints, long jump, and shot put. This event celebrates physical fitness and school spirit, offering students the chance to showcase their athletic skills. The carnival fosters a sense of community, as students support each other in a positive and spirited atmosphere. It's an excellent opportunity for students to develop discipline, teamwork, and confidence.

Swimming Carnival
BPSSC’s Swimming Carnival provides students with the chance to compete in various swimming events, including freestyle, backstroke, and relay races. Students of all abilities are encouraged to participate, demonstrating their swimming talents while contributing to school unity and pride. The Swimming Carnival is an exciting event that allows students to showcase their skills, foster friendly competition, and support their peers in a fun and inclusive environment.

Sports

BPSSC offers a wide variety of sport programs designed to cater to students' diverse interests and abilities, promoting physical fitness, teamwork, and school spirit. Our programs not only encourage participation in competitive and recreational sports but also foster leadership, perseverance, and sportsmanship. Below are the key sport offerings at BPSSC:

Gala Day

Gala Day at BPSSC is a day filled with fun sports challenges and friendly competition. Students participate in a variety of team sports and games, promoting school spirit and physical activity. The event creates an inclusive, enjoyable atmosphere where students can bond, develop teamwork skills, and embrace the spirit of friendly competition.

Rugby League Academy

The Rugby League Academy provides students with professional training focused on developing rugby league skills, teamwork, and discipline. This program helps students enhance their technical abilities, mental toughness, and physical fitness while preparing them for competitive play. Students also cultivate leadership qualities, sportsmanship, and resilience, making it a great opportunity for those passionate about rugby league.

Soccer & Futsal

Soccer provides an exciting opportunities for students to engage in sports, build teamwork, and promote a healthy lifestyle. The soccer tournament encourages friendly competition and collaboration, welcoming students of all skill levels to come together, strengthen relationships, and embrace school spirit. Similarly, Futsal, a fast-paced indoor soccer game, focuses on agility, teamwork, and coordination, offering students an excellent way to stay active while developing sports skills. Both activities are played in a supportive, inclusive environment, where students can enjoy competition, foster school pride, and grow their athletic potential.

Basketball

BPSSC's basketball program helps students improve their physical fitness, teamwork, and coordination through both informal games and competitive tournaments. Whether playing for fun or representing the school, students build confidence, enhance their skills, and experience the excitement of playing in a team sport. Basketball promotes a sense of community and school pride, while encouraging students to work together to achieve success.

Esports Program

BPSSC's Esports program provides students with the opportunity to engage in competitive video gaming, where they can develop critical skills in strategy, communication, and teamwork. Students participate in organised tournaments and collaborate with teammates, fostering a supportive and inclusive gaming environment.

The Esports program offers students the chance to experience a variety of competitive gaming environments, including arcade, retro, and modern video games. Through participation, students will enhance their technological proficiency, develop sportsmanship, and improve their critical thinking skills. The program also focuses on self-reflection, growth mindset, and the development of both cognitive and mechanical skills over time. The program invites students to explore different genres of video games and engage in healthy competition, while strengthening their ability to collaborate and solve problems.

Informal Student-Facilitated Sport

BPSSC offers informal sports sessions in the Sports Hall where students can engage in a variety of activities. These sessions are student-led, providing an opportunity for students to enjoy friendly, casual competition while promoting physical activity and school spirit. The following sports are available and rotate throughout the week:

- Volleyball
- Futsal
- Basketball

HPE staff are on duty to supervise and facilitate the sessions, ensuring a safe and inclusive environment for all participants. These informal sports opportunities are designed to encourage teamwork, improve fitness, and allow students to relax and unwind through friendly play.

Community & Leadership

At Bellbird Park State Secondary College, community and leadership opportunities empower students to develop essential skills, contribute meaningfully to their school and local communities, and grow as confident, responsible individuals.

Community at BPSSC fosters inclusivity, cultural awareness, and active participation in school and local initiatives. Students engage in events like Harmony Day, the ATSIAP Challenge, and African Family Night, strengthening connections between diverse cultures and backgrounds. Volunteering, peer mentoring, and service-learning projects further encourage students to give back and create a positive impact.

Leadership at BPSSC is about inspiring and guiding others. Students can take on leadership roles such as School Captains, House Captains, and Student Representative Council (SRC) members, as well as lead student-led clubs, sports teams, and Esports groups. Through leadership programs, public speaking, and advocacy initiatives, students develop confidence, teamwork, and problem-solving skills.

By participating in community and leadership activities, BPSSC students build strong relationships, develop a sense of responsibility, and prepare for future success as engaged and active citizens.

Junior Leaders (Year 9)

Students can begin their leadership journey in Year 9 by participating in the Junior Leadership program. The nomination process takes place in Terms 3 and 4 of Year 8, providing students with opportunities to develop leadership skills, build confidence, and actively contribute to the school community.

Senior Leaders (Year 12)

Senior Student Leaders play a vital role in guiding their peers and representing the student body. The nomination process occurs in Terms 2 and 3 of Year 11, with leadership positions including School Captain, Vice-Captain, Sport Captain, and Prefect roles. These students serve as role models, helping to shape school culture and lead key initiatives.

Student Representative Council

The Student Representative Council (SRC) provides a platform for student voice and advocacy, allowing students to participate in decision-making processes and represent their peers. Each Home Group class elects a representative, ensuring that all students have a say in school matters. Through the SRC, students engage in leadership, event planning, and initiatives that enhance the school community.

yLead Altitude Day

This annual event empowers Year 11 students at a pivotal stage of their schooling. Through a combination of inspirational talks and engaging group activities, students develop leadership skills, gain motivation, and learn how to make a positive impact within their school and community.

Character Builders Incursions

Character Builders programs provide opportunities for our junior cohorts to engage and participate in interactive incursions for junior secondary students, focusing on leadership development, teamwork, resilience, and personal growth. These activities help students build confidence, strengthen relationships, and develop essential skills for success in school and beyond.

RISE Representatives

At Bellbird Park, every student has leadership potential. Junior students can apply as RISE Representatives, embodying RISE expectations. They organise events, lead games, and represent peers, working with staff to foster a supportive environment. This exciting role empowers students to make a positive impact in their cohort.

Kokoda Challenge

The Kokoda Challenge is a unique endurance event that honours the sacrifices of Australian soldiers on the Kokoda Track in 1942. It fosters resilience, teamwork, and perseverance while raising funds for youth programs. Participants experience the values of courage, endurance, mateship, and sacrifice as they push their limits and support one another through the challenge.

Creative Generation

BPSSC students have the opportunity to showcase their talents in Creative Generation, an inspiring production that brings together music, drama, and dance. This program celebrates student artistry and fosters school spirit through dynamic, collaborative performances. It provides a platform for young performers to develop their skills, gain confidence, and contribute to a vibrant culture of creativity.

School Musical

Every second year, BPSSC stages a School Musical, bringing together students from all year levels to participate in acting, singing, dancing, and technical production. This large-scale event allows students to immerse themselves in the performing arts, collaborate as a team, and experience the thrill of bringing a production to life. Whether on stage or behind the scenes, students develop resilience, creativity, and teamwork in a fun and rewarding environment.

ANZAC Day and Remembrance Day

ANZAC Day and Remembrance Day are significant national events that provide students with the opportunity to reflect on Australia's history, honour those who have served, and recognise the sacrifices made for our country. These commemorations foster respect, awareness, and a deeper understanding of national history and social issues.

Students actively participate in college ceremonies to acknowledge the importance of these occasions. They also have the opportunity to represent the school at community events, including ANZAC Day services, marches, and Remembrance Day ceremonies, strengthening their connection to the broader community and national heritage.

International Women's Day

International Women's Day is an important occasion to recognise and celebrate the achievements of women while promoting awareness of gender equality. BPSSC acknowledges this day through special events, including a community luncheon for college student leaders to attend.

These events provide students with the opportunity to engage in meaningful discussions, hear from inspiring speakers, and reflect on the importance of diversity, inclusion, and leadership. By participating, students develop a deeper understanding of gender equity and the role they can play in creating a more inclusive society.

Breakfast Club & Lunch Program

BPSSC is committed to supporting student wellbeing through the Breakfast Club and Lunch Program, ensuring that all students have access to nutritious meals in a welcoming environment. These initiatives promote inclusivity, school engagement, and a sense of community.

Breakfast Club – Supported by Goodna RSL, the Breakfast Club provides students with a healthy start to the day. It is run by our dedicated Student Support Team, ensuring that no student starts their school day hungry.
Toastie Program – Also facilitated by the Student Support Team, this program offers warm, nutritious toasties to students, providing a reliable food option for those in need.
Pancake Fridays – Thanks to the generous contribution of Shiloh Church, students can enjoy a special breakfast treat every Friday, reinforcing the spirit of community and care within the school.

These programs help create a supportive and inclusive school culture, allowing students to focus on their learning and wellbeing.
